## BROTHER IS FOUND

H. L. MOYER CLAIMS BEHEADED MAN IS JOHN W. MOYER.

## WORD SENT TO MOTHER

Telegram Received From Brother Gives Address of His Mother Who May Identify Him.

A telegram was received this afternoon by J. E. Bailey of the furniture company from Mrs. James W. Moyer of Michigan City, Ind., that she will arrive in Maryville Thursday morning to see if the dead man at the furniture company is her son.

The identity of the man that was killed by a Wabash freight train near Bedison several days ago is now known, according to a telegram received Wednesday morning by the Maryville Furniture company.

His real name is John W. Moyer and he has a brother, H. L. Moyer, living at Hood River, Ore., and his mother, Mrs. James W. Moyer, lives at Michigan City, Ind. The man had been going under the name of Samuel W. Corbett at Conception Junction and also near that place where he was employed as a farm hand.

The following is a copy of a telegram received this morning from H. L. Moyer of Hood River, Ore.:

"Samuel Corbett is my brother. His real name is John W. Moyer. Have wired mother, Mrs. James W. Moyer, Michigan City, Ind., 219 Butler street. You might wire her for instructions. Think she will identify."

Word was sent at once to Mrs. Moyer at Michigan City for instructions.

Moyer met death on Saturday, November 16. His remains have been in the undertaking rooms of the Maryville Furniture company since that time, as efforts have been made to find out if he had any relatives.

## COLLIE HUSKS CORN.

Stanberry Farmer Owns Dog Which, Standing on His Hind Legs, Tears the Ears Off With His Teeth.

The following is a dispatch taken from the St. Louis Republic, sent from Stanberry:

H. P. Allen, a farmer living near here, is the owner of a Scotch collie dog which he highly values because it is a good corn husker. The animal will go out in the field with Allen's employes and keep up with many of them in corn husking.

When the season opened the dog followed the wagon and with apparent interest watched the process of husking. Finally the animal ran to one of the corn stalks, and, standing on his hind feet, pulled down the stalk, grabbed the ear and broke it off with his teeth.

With teeth and forepaws he husked the ear and then ran and yielded it to his master to be thrown into the wagon. Highly pleased with his first efforts, the animal ran to another stalk and repeated the operation again and again.

The dog is a year and a half old and this season Allen claims he has husked hundreds of bushels of corn.

Only one trouble has arisen; the animal's claws are beginning to wear down from the husking and Allen is considering fastening some kind of a husking peg on his front feet so the animal can husk the corn and not wear down his claws.

Rev. and Mrs. Gilbert S. Cox will have for Thanksgiving guests Rev. Cox's parents and brother, Mr. and Mrs. L. M. Cox and Mr. Olin Cox of Kansas City, and another brother, Mr. Ernest L. Cox of Moore's Hill, Ind. Mr. Ernest Cox has charge of the department of music in Moore's Hill college.

The High School Beat the Business College, and the Normal the Pirates Team.

The opening games of the city basketball tournament were staged at the Normal gymnasium Tuesday night. There are four teams in the league, and they are the Normal, the High School, the Business college, and the Pirates, an independent team.

The high school won from the business college by a score of 25 to 19 and was the first game played of the double-header.

In the second game, the Normals defeated the Pirates by a score of 23 to 19. The line-up:

Business college—Carter and Thompson, forwards; Castillo, center; Saunders, Bailey and Bagby, guards. High school—Staples and Leach, forwards; Wilson and Thompson, center; David, Strader, Pickens and Scott, forwards.

Four out of the five men who represented the Normal were regulars on last year's team, and the fifth man, Daise, was a second team man, who played in the last game of the season against Tarkio. Capt. Hoffman of the Pirates has only had his team together twice and naturally they were not able to put up the game last night that they will later in the tournament.

The following men played in the course of the game for the Normal: Forwards, Vandersloot (captain) and Daise; center, Perrin; guards, Taylor and Seymour.

The line-up for the Pirates was: Hoffman, Bent, Quinn, Clark Fleming, Carpenter and L. Bennett.

A large crowd was present at the games and school spirit prevailed. Prof. Westbrook and Prof. Israel of the high school and Prof. White of the Normal were the officials for the games.

The next game will be played on Monday night, December 2, between the Normal and Business college, and the high school and the Pirates.

## MAY TAKE OFF TAX

CITY TO REMOVE TAX FROM INSURANCE COMPANIES.

## PUT TANKS UNDER GROUND

Rates Have Been Raised in Business District on Account of Menace of Exposed Gasoline Tanks.

Gasoline and coal oil tanks will have to be built under the ground or outside of the fire limits if an ordinance now being written is passed by the city council at their meeting on Friday night, December 6. Many of these tanks are now located above the ground in the alleys in the business section of the city.

Efforts have been made for some time to get these tanks either under the ground or outside of the fire limits, as it has raised the insurance rates of many in the business section. In one place in an alley there are three gasoline tanks side by side and all owned by different people.

According to insurance agents these tanks and other defects make the fire insurance rates higher, and the rating given Maryville recently was largely based on this one thing. Then another thing for higher rates on fire insurance is on account of automobile garages, as it affects the rate of the block in which it is located.

"At this council meeting it is probable the tax on insurance companies doing business in Maryville will be taken off. If this should be done it is said it will take 20 cents off each \$100 fire insurance.

The insurance companies pay a tax of \$15 a year in Maryville, which nets the city about \$1,000. The tax was put on several years ago, so as to raise money to pay off the \$2,400 Hitchings judgment against the city. Now since the judgment has been paid and the city is in fairly good financial condition, it is thought that the tax should come off, as the people are paying the bill. When the tax was put on of course the insurance rates went up. The agents of these insurance companies also pay \$3 a year to do business here.

The \$100,000 water bond issue has been sold to the Commerce Trust company of Kansas City at par and accrued interest and will bear 4 1/2 per cent interest. The announcement of the sale of the bonds was made by the board of public works Wednesday morning.

The rest of the money will be spent in the improvement of the plant, but active work will not start until spring.

## SOCIALISTS OPPOSE ALL WAR

MAKE INTERNATIONAL MOVE FOR PEACE.

Congress at Berne, Switzerland, addresses Manifesto to Members in all Europe and America.

Basel, Switzerland, Nov. 26.—Socialists of America and Europe were called on by a manifesto issued by the International Socialist congress to resist any measures for war taken by their governments. The declaration was drawn up by Jean Jaures, the leader of the French Socialists.

The document says that if the Balkan war should spread to other countries it would be a frightful blow to civilization.

It would be one of the greatest scandals in history because of the disproportion between the immensity of the catastrophe and the unimportance of the interests on which it would be based. Therefore the Socialists in the Balkan should hasten the end of the war, those in Austria-Hungary should oppose any contemplated attack upon Serbia, those in Italy should prevent the sacrifice of Albania to Italian ambitions and those in England, France and Germany should force their governments to refuse any help to Austria-Hungary and Russia and should guard absolute neutrality.

The gravest danger to the peace of Europe, the document points out, is the artificially supported hostility between England and Germany. Socialists in both those countries are urged to destroy this feeling by practical and energetic propaganda.

The congress adopted a resolution to hold anti-war meetings in the big cities of Europe December 16.

Gentlemen:—

We have received from you our 1913 Calendar entitled "The Fairy of Flowers", and are highly pleased with it. This dainty creation is certainly one of the most artistic productions we have ever presented our friends.

We have given the problem of their distribution much consideration and we have decided to try a new plan. The old way of indiscriminate distribution has never been satisfactory and in mailing them out they are frequently damaged or lost. This year we are asking our friends, through the newspapers, to signify their desire for one in advance, and then after a certain date they will be ready for distribution. We feel that in this way we can place them where they will be most appreciated. Already the requests are coming in rapidly and our only fear is we will not have enough to go around.

Yours truly,

G. L. Wilfley

## "THANKSGIVING"

A DAY set apart by the Plymouth Pilgrims in 1621 in acknowledgment of their first harvest in America, and has since been annually observed. The act of giving thanks, the expression of gratitude.

For nearly three hundred years then we have had Thanksgiving, and in the main its purpose is the same today as it was in the beginning—to give thanks.

So we take our pen in hand to offer you, our friends, our thanks: We owe you much, each and every one of you. We endeavor to merit your patronage and business by giving you service—a good service.

We look forward to a good year. We look back with satisfaction. We hope this finds you busy and happy, and that in this, the approaching holiday time, your cup of happiness will be full to the brim.

Don't lose the spirit of Thanksgiving—you must have something to be thankful for, and if you have, don't forget it. Yours for a most happy and enjoyable Thanksgiving.

OR A SOUR STOMACH****"Pape's Diapepsin" Makes Your Stomach Feel Fine in Five Minutes.**

Wonder what upset your stomach—which portion of the food did the damage—do you. Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Diapepsin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.—Advertisement.

**Family Reunion Held.**

Sunday, November 24, a family reunion was held at the home of E. J. Baker, 798 North Mulberry street. It was a very enjoyable affair, being the first time all of the children, sons-in-law and daughter-in-law of Mr. and Mrs. Baker had all been together. A delicious and bountiful dinner was served at noon by the hostess and the rest of the time was spent in social conversation. Those present were: Mr. and Mrs. Wayland Wood and four children from Knowlton, Montana; Mr. and Mrs. Floyd Westfall and daughter, Ruth, from Barnard; Mr. and Mrs. Worth Smith of Barnard; Mrs. Ernest Nelson and three children of Barnard; Mr. and Mrs. W. The kitchen utensils were sold at auction by Stanton Garten the articles being paid for with beans and finally presented to Miss Nellie with the best wishes of all present. via. A Thanksgiving program was given after the devotions, led by Mrs. I. W. Nixon. During roll call, which was responded to with Thanksgiving gems, it was found that the Circle had not lost a member by death since its organization in 1895. During those seventeen years the personnel of the Circle has been changed a great deal by the removal or the retirement of several members, and it is a notable fact that the only cause for change in its membership has been removal from the city or retirement because of other duties. The Circle, according to the rules of their constitution, has always maintained a membership of twenty-five. Mrs. F. M. Martin gave an interesting paper on the observance of Thanksgiving, and a piano number, "Remember Me," by Brinkman, was given by Mrs. Roy Curfman. Mrs. Charles Neal acted as critic. During the business session the Circle planned to federate with the state and district organizations of women's clubs. The Christmas party that was to have been held December 10 at the home of Mrs. W. R. Wells, has been deferred until January, when it will be given at the home of Mrs. F. M. Martin. Mrs. Wells and Mrs. Melvin, the hostess of the afternoon, were granted leave of absence from the Circle until spring, as they will spend several months in California. The next meeting will be held with the president, Mrs. W. B. Christy, December 19.

**A BIT OF ADVICE.**

**First, Don't Delay—Second, Don't Experiment.**

If you suffer from backache; headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Maryville residents desire more convincing proof of their effectiveness than a statement of a Maryville citizen who has used them and willingly testifies to their worth?

Mrs. James Fisher, 804 East Fifth street, Maryville, Mo., says: "In 1911 I began using Doan's Kidney Pills, which I got at Love & Gaugh's drug store, and they gave me relief from backache and pains in my sides. I recommend this remedy and I can say that it is reliable."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## NOT TO RECOUNT KANSAS BALLOTS

County Boards of Canvassers Must Correct Clerical Errors.

### TWELVE SUITS ARE DISMISSED

Supreme Court Holds It Has No Authority to Compel Recounting of Rejected Votes—Contest Board May Do So.

Topeka, Nov. 26.—County boards of canvassers must correct any clerical errors made in the canvass of the election returns, but there can be no recount of the ballots rejected by the election boards except through a contest board. That was the decision of the Kansas supreme court in the mandamus suits brought by Arthur Capper.

There were 12 suits involving two different questions. In Bourbon county, where there were 52 ballots counted twice, giving Senator Hodges 52 more plurality than he was entitled to, the court held that the error must be corrected and allowed the writ of mandamus to compel the board to reconvene and make the corrections.

Court Lacks Authority. In Wabunsee county and 11 other counties there was no question as to the correctness of the returns, but the question was whether all the legal ballots had been counted. The court held that it had no authority by mandamus to compel the recounting of the rejected ballots, and this could be done only in a contest court. Capper claims to have found more than 2,000 ballots which he asserts were illegally thrown out by the election judges through a misunderstanding of the law.

The court held that it could not compel the recount of such ballots, but a contest board could do so. The 12 suits involving the question were ordered dismissed by the court.

Twelve Counties to Report. Already supplemental returns from 30 counties have been filed, and these increase the lead of Senator Hodges to 99, instead of 31 plurality. The Bourbon county proceedings will reduce this plurality 52 or to a plurality of 47. There are about 12 other counties where errors of this or similar nature occurred that are yet to report. It is not known now just how many changes the missing counties will make or which way the expected supplemental returns will put the plurality.

### Wall Street Flurry.

New York, Nov. 26.—A flurry in the money market sent the rate for call loans up to 12 per cent, the highest figure since the early part of 1910. The opening rate was 6 per cent. Later in the day, however, the rate rose rapidly until 12 per cent was reached, following which there was an easier tendency. Calling in of loans by two of the principal banks was said to be the cause of the flurry.

Girder Fell Among Shoppers. St. Louis, Nov. 26.—While the streets were thronged with shoppers a steel girder weighing 4,000 pounds, 20 feet long and 18 inches wide fell from the twenty-first story of the Railway Exchange building under course of construction. Because the girder fell head on and buried itself five feet in the granite sidewalk no one was injured. Had it bounded many would have been killed.

## GIRL JUMPS FROM TWENTIETH STORY

Crushed to Death on Stone Paving 250 Feet Below.

### DERANGED OVER WHITE SLAVERY

Queer Actions Noted by Woman Occupant of Building, Who Summoned Help, But Too Late to Prevent Fatal Leap.

Chicago, Nov. 26.—Possessed with the idea that she was pursued for dishonorable purposes, Miss Maude Van Deusen, 25 years old, leaped from the twentieth story of the McCormick building and was crushed to death on the stone paving of an alley at the street level.

She jumped from an alley fire escape nearly 250 feet above the ground, in view of many pedestrians. Her body struck another fire escape at the first floor and bounded into the alleyway with nearly every bone broken.

### Had Appealed to Police.

Miss Van Deusen, according to papers found in her pocketbook, was a school teacher in Humboldt, Neb. From the papers it appeared that she had been seeking a position here. She wrote for protection to Chief of Police McWeeny, to the federal department of justice and to social settlement workers.

She had prepared for her death by running across her bosom a strip of white linen, which had been stained crimson at either end, and on which she had printed in large letters, "Death before dishonor." She had tied around her neck a copy of the New Testament, in which she had marked passages in St. John.

### Prayed in Lavatory.

She held her handbag in her hand as she jumped, and it was picked up near her body. In it was another marked Bible and a typewritten statement of several thousand words with "I will die clean if I have to kill myself," written at the head of one of the sheets.

A strip of bacon, a small paper of pepper, an ounce of tea and \$3.19 in currency also were found in the handbag. The police assert that Miss Van Deusen evidently was deranged mentally when she leaped from the building.

Miss Van Deusen went to the end of the hall and looked out, and then went into a lavatory. She was heard there praying by Miss Anna Toussaint, an employee of a jewelry firm in the building.

Miss Toussaint tried to get Miss Van Deusen to open the door, and was told to go away. She then heard Miss Van Deusen opening the window and ran for help. An elevator man broke down the door, but the girl had leaped to the pavement.

### PLEADS NOT GUILTY OF MURDER

Mrs. Lesh, Who Had Confessed, Changes Front and Acquittal is Considered Probable.

Sedalia, Mo., Nov. 26.—That Mrs. Elizabeth M. Quaintance died of pneumonia at Greenridge, Mo., in June, 1904, and not of rough-on-rats administered by a 13-year-old girl, was maintained by the defense when Mrs. Ellen Pansy Hastings Lesh, 23 years old, was arraigned in the Pettis county criminal court here, charged with murder in the first degree. Both sides announced ready for trial.

The courtroom was crowded. Mrs. Lesh pleaded not guilty. Judge Shain ordered the selection of a jury and the prisoner was remanded to the custody of the sheriff. The trial proper will begin immediately. Acquittal is almost certain.

### THOUGHT IT ALL IN THE FAMILY

University Graduate Stole Clothes and Jewelry From "Brothers" in Frat House.

Chicago, Nov. 26.—William Martin, 26 years old, a graduate of the University of Illinois, was arrested here after a fight with two detectives. Before he was caught he fired six shots at a crowd of University of Chicago students.

According to the students Martin came to the Kappa Sigma house and was permitted to live there as a fraternity brother. The students told the detectives that shortly afterwards he disappeared with clothes and jewelry worth about \$1,000.

### Starved by Wolves.

Centralia, Ok., Nov. 26.—The body of Charles Johnson, a farmer, has just been found in a tree near here, where he had taken refuge a week ago from a pack of wolves. When Johnson failed to return from a fishing trip his parents searched for him, believing him lost. A note in his pocket told of the vigil of the wolves at the foot of the tree. Johnson died of starvation.

### Tar Barber in Jail.

Lincoln Center, Kan., Nov. 26.—Because of his failure to report at the November term of district court here, Ed Ricord, the barber who took Mary Chamberlain to the place near Shady Bend where the famous tar party attack on her was made, has been committed to jail under his original sentence by Judge Dallas Grover.

## CROSS OR FEVERISH, HALF-SICK CHILDREN

If Tongue is Coated, Breath Bad, Stomach Sour, It Means a Torpid Liver and Clogged Bowels.

Mother! Don't scold your cross, peevish child! Look at the tongue! See if it is white, yellow and coated! If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad; has stomach ache, diarrhoea, sore throat, or is full of cold, it means the little one's stomach, liver and thirty feet of bowels are filled with poisons and foul, constipated waste matter and need a gentle, thorough cleansing at once.

Give a teaspoonful of Syrup of Figs, and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little waste clogged bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.—Advertisement.

### No Freight Service Tomorrow

There will be no freight service on the Washash or Burlington railways Thanksgiving day, thus giving as many employees as possible the opportunity of enjoying the day with home folks or friends.

### A PERTINENT QUESTION.

How do you like to be the repair man? Not a very pleasant subject. No doubt the job would ruffle your feelings as well as your clothes.

### SAVE A LOT OF TROUBLE.

Bring your car to us for inspection and repairs. This will win in the long run. Have you ever tried our repair service? You will find quick action and low prices.

## NOT TO RECOUNT KANSAS BALLOTS

County Boards of Canvassers Must Correct Clerical Errors.

### TWELVE SUITS ARE DISMISSED

Supreme Court Holds It Has No Authority to Compel Re-counting of Rejected Votes—Contest Board May Do So.

Topeka, Nov. 26.—County boards of canvassers must correct any clerical errors made in the canvass of the election returns, but there can be no recount of the ballots rejected by the election boards except through a contest board. That was the decision of the Kansas supreme court in the mandamus suits brought by Arthur Capper.

There were 13 suits involving two different questions. In Bourbon county, where there were 52 ballots counted twice, giving Senator Hodges 52 more plurality there than he was entitled to, the court held that the error must be corrected and allowed the writ of mandamus to compel the board to reconvene and make the corrections.

Court Lacks Authority. In Wabunsee county and 11 other counties there was no question as to the correctness of the returns, but the question was whether all the legal ballots had been counted. The court held that it had no authority by mandamus to compel the recounting of the rejected ballots, and this could be done only in a contest court. Capper claims to have found more than 2,000 ballots which he asserts were illegally thrown out by the election judges through a misunderstanding of the law.

The court held that it could not compel the recount of such ballots, but a contest board could do so. The 12 suits involving the question were ordered dismissed by the court.

Twelve Counties to Report. Already supplemental returns from 39 counties have been filed, and these increase the lead of Senator Hodges to 93, instead of 31 plurality. The Bourbon county proceedings will reduce this plurality 52 or to a plurality of 47. There are about 12 other counties where errors of this or similar nature occurred that are yet to report. It is not known now just how many changes the missing counties will make or which way the expected supplemental returns will put the plurality.

### Wall Street Flurry.

New York, Nov. 26.—A flurry in the money market sent the rate for call loans up to 12 per cent, the highest figure since the early part of 1910. The opening rate was 6 per cent. Later in the day, however, the rate rose rapidly until 12 per cent was reached, following which there was an easier tendency. Calling in of loans by two of the principal banks was said to be the cause of the flurry.

### Girder Fell Among Shoppers.

St. Louis, Nov. 26.—While the streets were thronged with shoppers a steel girder weighing 4,000 pounds, 20 feet long and 18 inches wide fell from the twenty-first story of the Railway Exchange building under course of construction. Because the girder fell head on and buried itself five feet in the granite sidewalk no one was injured. Had it bounded many would have been killed.

## GIRL JUMPS FROM TWENTIETH STORY

Crushed to Death on Stone Paving 250 Feet Below.

### DERANGED OVER WHITE SLAVERY

Queer Actions Noted by Woman Occupant of Building, Who Summoned Help, But Too Late to Prevent Fatal Leap.

Chicago, Nov. 26.—Possessed with the idea that she was pursued for dishonorable purposes, Miss Maude Van Deussen, 25 years old, leaped from the twentieth story of the McCormick building and was crushed to death on the stone paving of an alley at the street level.

She jumped from an alley fire escape nearly 250 feet above the ground, in view of many pedestrians. Her body struck another fire escape at the first floor and bounded into the alleyway with nearly every bone broken.

### Had Appealed to Police.

Miss Van Deussen, according to papers found in her pocketbook, was a school teacher in Humboldt, Neb. From the papers it appeared that she had been seeking a position here. She wrote for protection to Chief of Police McWeeny, to the federal department of justice and to social settlement workers.

She had prepared for her death by running across her bosom a strip of white linen, which had been stained crimson at either end, and on which she had printed in large letters, "Death before dishonor." She had tied around her neck a copy of the New Testament, in which she had marked passages in St. John.

### Prayed in Lavatory.

She held her handbag in her hand as she jumped, and it was picked up near her body. In it was another marked Bible and a typewritten statement of several thousand words with "I will die clean if I have to kill myself," written at the head of one of the sheets.

A strip of bacon, a small paper of pepper, an ounce of tea and \$3.19 in currency also were found in the handbag. The police assert that Miss Van Deussen evidently was deranged mentally when she leaped from the building.

Miss Van Deussen went to the end of the hall and looked out, and then went into a lavatory. She was heard there praying by Miss Anna Toussaint, an employee of a jewelry firm in the building.

Miss Toussaint tried to get Miss Van Deussen to open the door, and was told to go away. She then heard Miss Van Deussen opening the window and ran for help. An elevator man broke down the door, but the girl had leaped to the pavement.

### PLEADS NOT GUILTY OF MURDER

Mrs. Lesh, Who Had Confessed, Changes Front and Acquittal is Considered Probable.

Sedalia, Mo., Nov. 26.—That Mrs. Elizabeth M. Qualintance died of pneumonia at Greenridge, Mo., in June, 1904, and not of rough-on-rats administered by a 13-year-old girl, was maintained by the defense when Mrs. Ellen Pansy Hastings Lesh, 23 years old, was arraigned in the Pettis county criminal court here, charged with murder in the first degree. Both sides announced ready for trial.

The courtroom was crowded. Mrs. Lesh pleaded not guilty. Judge Shain ordered the selection of a jury and the prisoner was remanded to the custody of the sheriff. The trial proper will begin immediately. Acquittal is almost certain.

### THOUGHT IT ALL IN THE FAMILY

University Graduate Stole Clothes and Jewelry From "Brothers" in Frat House.

Chicago, Nov. 26.—William Martin, 26 years old, a graduate of the University of Illinois, was arrested here after a fight with two detectives. Before he was caught he fired six shots at a crowd of University of Chicago students.

According to the students Martin came to the Kappa Sigma house and was permitted to live there as a fraternity brother. The students told the detectives that shortly afterwards he disappeared with clothes and jewelry worth about \$1,000.

### Tar Barber in Jail.

Lincoln Center, Kan., Nov. 26.—Because of his failure to report at the November term of district court here, Ed Ricard, the barber who took Mary Chamberlain to the place near Shady Bend where the famous tar party attack on her was made, has been committed to jail under his original sentence by Judge Dallas Grover.

## CROSS OR FEVERISH, HALF-SICK CHILDREN

If Tongue is Coated, Breath Bad, Stomach Sour, It Means a Torpid Liver and Clogged Bowels.

Mother! Don't scold your cross, peevish child! Look at the tongue! See if it is white, yellow and coated! If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad; has stomach ache, diarrhoea, sore throat, or is full of cold, it means the little one's stomach, liver and thirty feet of bowels are filled with poisons and foul, constipated waste matter and need a gentle, thorough cleansing at once.

Give a teaspoonful of Syrup of Figs, and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little waste clogged bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.—Advertisement.

## BROTHER IS FOUND

H. L. MOYER CLAIMS BEHEADED MAN IS JOHN W. MOYER.

## WORD SENT TO MOTHER

Telegram Received From Brother Gives Address of His Mother Who May Identify Him.

A telegram was received this afternoon by J. E. Bailey of the furniture company from Mrs. James W. Moyer of Michigan City, Ind., that she will arrive in Maryville Thursday morning to see if the dead man at the furniture company is her son.

The identity of the man that was killed by a Wabash freight train near Madison several days ago is now known, according to a telegram received Wednesday morning by the Maryville Furniture company.

His real name is John W. Moyer and he has a brother, H. L. Moyer, living at Hood River, Ore., and his mother, Mrs. James W. Moyer, lives at Michigan City, Ind. The man had been going under the name of Samuel W. Corbett at Conception Junction and also near that place where he was employed as a farm hand.

The following is a copy of a telegram received this morning from H. L. Moyer of Hood River, Ore.:

"Samuel Corbett is my brother. His real name is John W. Moyer. Have wired mother, Mrs. James W. Moyer, Michigan City, Ind., 210 Butler street. You might wire her for instructions. Think she will identify."

Word was sent at once to Mrs. Moyer at Michigan City for instructions.

Moyer met death on Saturday, November 16. His remains have been in the undertaking rooms of the Maryville Furniture company since that time, as efforts have been made to find out if he had any relatives.

## COLLIE HUSKS CORN.

Stanberry Farmer Owns Dog Which, Standing on His Hind Legs, Tears the Ears Off With His Teeth.

The following is a dispatch taken from the St. Louis Republic, sent from Stanberry:

H. P. Allen, a farmer living near here, is the owner of a Scotch collie dog which he highly values because it is a good corn husker. The animal will go out in the field with Allen's employees and keep up with many of them in corn husking.

When the season opened the dog followed the wagon and with apparent interest watched the process of husking. Finally the animal ran to one of the corn stalks, and, standing on his hind feet, pulled down the stalk, grabbed the ear and broke it off with his teeth.

With teeth and forepaws he husked the ear and then ran and yielded it to his master to be thrown into the wagon. Highly pleased with his first efforts, the animal ran to another stalk and repeated the operation again and again.

The dog is a year and a half old and this season Allen claims he has husked hundreds of bushels of corn.

Only one trouble has arisen; the animal's claws are beginning to wear down from the husking and Allen is considering fastening some kind of a husking peg on his front feet so the animal can husk the corn and not wear down his claws.

Rev. and Mrs. Gilbert S. Cox will leave for Thanksgiving guests Rev. Cox's parents and brother, Mr. and Mrs. L. M. Cox and Mr. Olin Cox of Kansas City, and another brother, Mr. Ernest L. Cox of Moore's Hill, Ind. Mr. Ernest Cox has charge of the department of music in Moore's Hill college.

Mr. and Mrs. Harley Teaford went to Savannah Tuesday evening to spend Thanksgiving with Mr. and Mrs. William Teaford and Mr. and Mrs. N. F. Auble.

## OPENING GAMES PLAYED.

The High School Beat the Business College, and the Normal the Pirates Team.

The opening games of the city basketball tournament were staged at the Normal gymnasium Tuesday night. There are four teams in the league, and they are the Normal, the High School, the Business college, and the Pirates, an independent team.

The high school won from the business college by a score of 25 to 19 and was the first game played of the double-header.

In the second game, the Normals defeated the Pirates by a score of 28 to 10. The line-up:

Business college—Carter and Thompson, forwards; Castillo, center; Saunders, Bailey and Bagby, guards.

High school—Staples and Leach, forwards; Wilson and Thompson, center; David, Strader, Pickens and Scott, forwards.

Four out of the five men who represented the Normal were regulars on last year's team, and the fifth man, Daise, was a second team man, who played in the last game of the season against Tarkio. Capt. Hoffman of the Pirates has only had his team together twice and naturally they were not able to put up the game last night that they will later in the tournament.

The following men played in the course of the game for the Normal: Forwards, Vandersloot (captain) and Daise; center, Perrin; guards, Taylor and Seymour.

The line-up for the Pirates was: Hoffman, Bent, Quinn, Clark, Fleming, Carpenter and L. Bennett.

A large crowd was present at the games and school spirit prevailed. Prof. Westbrook and Prof. Israel of the high school and Prof. White of the Normal were the officials for the games.

The next game will be played on Monday night, December 2, between the Normal and Business college, and the high school and the Pirates.

## MAY TAKE OFF TAX

CITY TO REMOVE TAX FROM INSURANCE COMPANIES.

## PUT TANKS UNDER GROUND

Rates Have Been Raised in Business District on Account of Menace of Exposed Gasoline Tanks.

Gasoline and oil tanks will have to be built under the ground or outside of the fire limits if an ordinance now being written is passed by the city council at their meeting on Friday night, December 6. Many of these tanks are now located above the ground in the alleys in the business section of the city.

Efforts have been made for some time to get these tanks either under the ground or outside of the fire limits, as it has raised the insurance rates of many in the business section. In one place in an alley there are three gasoline tanks side by side and all owned by different people.

According to insurance agents these tanks and other defects make the fire insurance rates higher, and the rating given Maryville recently was largely based on this one thing. Then another thing for higher rates on fire insurance is on account of automobile garages, as it affects the rate of the block in which it is located.

At this council meeting it is probable the tax on insurance companies doing business in Maryville will be taken off. If this should be done it is said it will take 20 cents off each \$100 fire insurance.

The insurance companies pay a tax of \$15 a year in Maryville, which nets the city about \$1,000. The tax was put on several years ago, so as to raise money to pay off the \$2,400 Hitchings judgment against the city. Now since the judgment has been paid and the city is in fairly good financial condition, it is thought that the tax should come off, as the people are paying the bill. When the tax was put on of course the insurance rates went up. The agents of these insurance companies also pay \$3 a year to do business here.

Deal to Be Consummated With Water Company and the Plant to Be Improved Next Year.

The \$100,000 water bond issue has been sold to the Commerce Trust company of Kansas City at par and accrued interest and will bear 4 1/2 per cent interest. The announcement of the sale of the bonds was made by the board of public works Wednesday morning.

A council meeting will be held Wednesday evening to authorize the issuance of the bonds and to approve the sale of the bonds to the Commerce Trust company.

The bonds will be delivered to the Trust company on December 15, and the money will be received then. The board will at once close the deal with the water company and pay over the purchase price of the plant, \$50,000. This price was agreed on several weeks ago. The rest of the money will be spent in the improvement of the plant, but active work will not start until spring.

Out of the \$100,000 issue, \$20,000 will be retained by the board for future needs. This amount of bonds was not sold at this time.

The board allowed the Commerce Trust company \$600 for the expense of printing the bonds and other incidental expenses.

The board of public works made a good business deal, as most of the bonds now selling are bearing 5 per cent interest.

SOCIALISTS OPPOSE ALL WAR

MAKE INTERNATIONAL MOVE  
FOR PEACE.

Congress at Berne, Switzerland, Ad-  
dresses Manifesto to Members in  
all Europe and America.

Basel, Switzerland, Nov. 26.—Social-  
ists of America and Europe were  
called on by a manifesto issued by the  
International Socialist congress to re-  
sist any measures for war taken by  
their governments. The declaration  
was drawn up by Jean Jaures, the  
leader of the French Socialists.

The document says that if the Bal-  
kan war should spread to other coun-  
tries it would be a frightful blow to  
civilization.

It would be one of the greatest  
scandals in history because of the dis-  
proportion between the immensity of  
the catastrophe and the unimportance  
of the interests on which it would be  
based. Therefore the Socialists in the  
Balkan should hasten the end of the  
war, those in Austria-Hungary should  
oppose any contemplated attack upon  
Serbia, those in Italy should prevent  
the sacrifice of Albania to Italian  
ambitions and those in England,  
France and Germany should force  
their governments to refuse any help  
to Austria-Hungary and Russia and  
should guard absolute neutrality.

The gravest danger to the peace of  
Europe, the document points out, is  
the artificially supported hostility be-  
tween England and Germany. Social-  
ists in both those countries are urged  
to destroy this feeling by practical  
and energetic propaganda.

The congress adopted a resolution  
to hold anti-war meetings in the big  
cities of Europe December 16.

Mr. and Mrs. F. A. McKee of Barnard  
were in Maryville Wednesday on busi-

visitors will go to Carthage, Mo., for a  
visit with Mr. Haselwood's parents,  
and to Carnegie, Okla., to visit Mrs.  
Haselwood's parents before returning.

Wednesday from Chicago to spend

Gentlemen:—

We have received from you our 1913 Calendar  
entitled "The Fairy of Flowers", and are highly pleased  
with it. This dainty creation is certainly one of the most  
artistic productions we have ever presented our friends.

We have given the problem of their distribution  
much consideration and we have decided to try a new plan.

The old way of indiscriminate distribution has never been  
satisfactory and in mailing them out they are frequently  
damaged or lost. This year we are asking our friends,  
through the newspapers, to signify their desire for one in  
advance, and then after a certain date they will be ready  
for distribution. We feel that in this way we can place  
them where they will be most appreciated. Already the  
requests are coming in rapidly and our only fear is we will  
not have enough to go around.

Yours truly,

G. L. Wilfley

President.

"THANKSGIVING"

A DAY set apart by the Ply-  
mouth Pilgrims in 1621 in  
acknowledgment of their first  
harvest in America, and has  
since been annually observed.  
The act of giving thanks, the  
expression of gratitude.

For nearly three hundred  
years then we have had Thanks-  
giving, and in the main its pur-  
pose is the same today as it was  
in the beginning—to give  
thanks.

So we take our pen in hand to  
offer you, our friends, our  
thanks: We owe you much,  
each and every one of you. We  
endeavor to merit your patron-  
age and business by giving you  
service—a good service.

We look forward to a good  
year. We look back with satis-  
faction. We hope this finds you  
busy and happy, and that in  
this, the approaching holiday  
time, your cup of happiness will  
be full to the brim.

Don't lose the spirit of  
Thanksgiving—you must have  
something to be thankful for,  
and if you have, don't forget it.

Yours for a most happy and  
enjoyable Thanksgiving.

NO INDIGESTION, GAS  
OR A SOUR STOMACH

"Pape's Diapepsin" Makes Your Stomach Feel Fine in Five Minutes.

Wonder what upset your stomach—which portion of the food did the damage—do you. Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Diapepsin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.—Advertisement.

vin. A Thanksgiving program was given after the devotions, led by Mrs. I. W. Nixon. During roll call, which was responded to with Thanksgiving gems, it was found that the Circle had not lost a member by death since its organization in 1895. During those seventeen years the personnel of the Circle has been changed a great deal by the removal or the retirement of several members, and it is a notable fact that the only cause for change in its membership has been removal from the city or retirement because of other duties. The Circle, according to the rules of their constitution, has always maintained a membership of twenty-five. Mrs. F. M. Martin gave an interesting paper on the observance of Thanksgiving, and a piano number, "Remember Me," by Brinkman, was given by Mrs. Roy Curfman. Mrs. Charles Neal acted as critic. During the business session the Circle planned to federate with the state and district organizations of women's clubs. The Christmas party that was to have been held December 10 at the home of Mrs. W. R. Wells, has been deferred until January, when it will be given at the home of Mrs. F. M. Martin. Mrs. Wells and Mrs. Melvin, the hostess of the afternoon, were granted leave of absence from the Circle until spring, as they will spend several months in California. The next meeting will be held with the president, Mrs. W. B. Christy, December 10.

## A BIT OF ADVICE.

First, Don't Delay—Second, Don't Experiment.

If you suffer from backache, head-aches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Maryville residents desire more convincing proof of their effectiveness than a statement of a Maryville citizen who has used them and willingly testifies to their worth?

Mrs. James Fisher, 804 East Fifth street, Maryville, Mo., says: "In 1911 I began using Doan's Kidney Pills, which I got at Love & Gaugh's drug store, and they gave me relief from backache and pains in my sides. I recommend this remedy and I can say that it is reliable."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.—Advertisement.

Start Right Now to Banish Catarrh. Sprays and douches can't destroy the devilish germs of catarrh. If you believe that liquids reach the air tubes, try to swallow a little water the "wrong way."

Booth's HYOMEI is an antiseptic soothing, healing air, made chiefly from Australian Eucalyptus. It's so easy to use; just pour a few drops into the hard rubber inhaler and breathe it; that's all.

You'll know in five minutes that HYOMEI is reaching the sore membrane and its soothing influence is bringing you most comfortable relief.

For catarrh, croup, sore throat, coughs, colds and asthma. The Orear-Henry Drug Co. is authorized to guarantee HYOMEI or money back.

## NOT TO RECOUNT KANSAS BALLOTS

County Boards of Canvassers Must Correct Clerical Errors.

### TWELVE SUITS ARE DISMISSED

Supreme Court Holds It Has No Authority to Compel Re-counting of Rejected Votes—Contest Board May Do So.

Topeka, Nov. 26.—County boards of canvassers must correct any clerical errors made in the canvass of the election returns, but there can be no recount of the ballots rejected by the election boards except through a contest board. That was the decision of the Kansas supreme court in the mandamus suits brought by Arthur Capper.

There were 12 suits involving two different questions. In Bourbon county, where there were 52 ballots counted twice, giving Senator Hodges 52 more plurality than he was entitled to, the court held that the error must be corrected and allowed the writ of mandamus to compel the board to reconvene and make the corrections.

Court Lacks Authority. In Wabasha county and 11 other counties there was no question as to the correctness of the returns, but the question was whether all the legal ballots had been counted. The court held that it had no authority by mandamus to compel the recounting of the rejected ballots, and this could be done only in a contest court. Capper claims to have found more than 2,000 ballots which he asserts were illegally thrown out by the election judges through a misunderstanding of the law.

The court held that it could not compel the recount of such ballots, but a contest board could do so. The 12 suits involving the question were ordered dismissed by the court.

Twelve Counties to Report. Already supplemental returns from 30 counties have been filed, and these increase the lead of Senator Hodges to 99, instead of 21 plurality. The Bourbon county proceedings will reduce this plurality 52 or to a plurality of 47. There are about 12 other counties where errors of this or similar nature occurred that are yet to report. It is not known now just how many changes the missing counties will make or which way the expected supplemental returns will put the plurality.

Wall Street Flurry. New York, Nov. 26.—A flurry in the money market sent the rate for call loans up to 12 per cent, the highest figure since the early part of 1910. The opening rate was 6 per cent. Later in the day, however, the rate rose rapidly until 12 per cent was reached, following which there was an easier tendency. Calling in of loans by two of the principal banks was said to be the cause of the flurry.

Girder Fell Among Shoppers. St. Louis, Nov. 26.—While the streets were thronged with shoppers a steel girder weighing 4,000 pounds, 20 feet long and 18 inches wide fell from the twenty-first story of the Railway Exchange building under course of construction. Because the girder fell head on and buried itself five feet in the granite sidewalk no one was injured. Had it bounded many would have been killed.

APPLES. Eat apples of quality, Grimes Golden, Jonathan, York, etc. I will deliver them to you in the city as you need them, by the peck or barrel, if you will write me or write Democrat-Forum. W. H. GHORMLEY, Box 494, Maryville, Mo.

## GIRL JUMPS FROM TWENTIETH STORY

Crushed to Death on Stone Paving 250 Feet Below.

### DERANGED OVER WHITE SLAVERY

Queer Actions Noted by Woman Occupant of Building, Who Summoned Help, But Too Late to Prevent Fatal Leap.

Chicago, Nov. 26.—Possessed with the idea that she was pursued for dishonorable purposes, Miss Maude Van Deussen, 25 years old, leaped from the twentieth story of the McCormick building and was crushed to death on the stone paving of an alley at the street level.

She jumped from an alley fire escape nearly 250 feet above the ground, in view of many pedestrians. Her body struck another fire escape at the first floor and bounded into the alley way with nearly every bone broken. Had Appealed to Police.

Miss Van Deussen, according to papers found in her pocketbook, was a school teacher in Humboldt, Neb. From the papers it appeared that she had been seeking a position here. She wrote for protection to Chief of Police McWeeny, to the federal department of justice and to social settlement workers.

She had prepared for her death by lining across her bosom a strip of white linen, which had been stained crimson at either end, and on which was printed in large letters, "Death before dishonor." She had tied around her neck a copy of the New Testament, in which she had marked passages in St. John.

Prayed in Lavatory. She held her handbag in her hand as she jumped, and it was picked up near her body. In it was another marked Bible and a typewritten statement of several thousand words with "I will die clean if I have to kill myself," written at the head of one of the sheets.

A strip of bacon, a small paper of pepper, an ounce of tea and \$2.19 in currency also were found in the handbag. The police assert that Miss Van Deussen evidently was deranged mentally when she leaped from the building.

Miss Van Deussen went to the end of the hall and looked out, and then went into a lavatory. She was heard there praying by Miss Anna Toussaint, an employee of a jewelry firm in the building.

Miss Toussaint tried to get Miss Van Deussen to open the door, and was told to go away. She then heard Miss Van Deussen opening the window and ran for help. An elevator man broke down the door, but the girl had leaped to the pavement.

### PLEADS NOT GUILTY OF MURDER

Mrs. Lesh, Who Had Confessed, Changes Front and Acquittal is Considered Probable.

Sedalia, Mo., Nov. 26.—That Mrs. Elizabeth M. Quintance died of pneumonia at Greenfield, Mo., in June, 1904, and not of rough-on-rats administered by a 13-year-old girl, was maintained by the defense when Mrs. Ellen Pansy Hastings Lesh, 23 years old, was arraigned in the Pettis county criminal court here, charged with murder in the first degree. Both sides announced ready for trial.

The courtroom was crowded. Mrs. Lesh pleaded not guilty. Judge Shain ordered the selection of a jury and the prisoner was remanded to the custody of the sheriff. The trial proper will begin immediately. Acquittal is almost certain.

### THOUGHT IT ALL IN THE FAMILY

University Graduate Stole Clothes and Jewelry From "Brothers" in Frat House.

Chicago, Nov. 26.—William Martin, 26 years old, a graduate of the University of Illinois, was arrested here after a fight with two detectives. Before he was caught he fired six shots at a crowd of University of Chicago students.

According to the students Martin came to the Kappa Sigma house and was permitted to live there as a fraternity brother. The students told the detectives that shortly afterwards he disappeared with clothes and jewelry worth about \$1,000.

### Starved by Wolves.

Centralia, Ok., Nov. 26.—The body of Charles Johnson, a farmer, has just been found in a tree near here, where he had taken refuge a week ago from a pack of wolves. When Johnson failed to return from a fishing trip his parents searched for him, believing him lost. A note in his pocket told of the vigil of the wolves at the foot of the tree. Johnson died of starvation.

### Tar Barber in Jail.

Lincoln Center, Kan., Nov. 26.—Because of his failure to report at the November term of district court here, Ed Ricard, the barber who took Mary Chamberlain to the place near Shady Bend where the famous tar party attack on her was made, has been committed to jail under his original sentence by Judge Dallas Grover.

## CROSS OR FEVERISH, HALF-SICK CHILDREN

If Tongue is Coated, Breath Bad, Stomach Sour, It Means a Torpid Liver and Clogged Bowels.

Mother! Don't scold your cross, peevish child! Look at the tongue! See if it is white, yellow and coated! If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad; has stomach ache, diarrhoea, sore throat, or is full of cold, it means the little one's stomach, liver and thirty feet of bowels are filled with poisons and foul, constipated waste matter and need a gentle, thorough cleansing at once.

Give a teaspoonful of Syrup of Figs, and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little waste clogged bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.—Advertisement.
